# New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 12-31-2026)

## PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace (“Marketplace”). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn’t meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

### Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%<sup>1</sup> of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee’s cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee’s household income.<sup>12</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

### When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

<sup>1</sup> Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

<sup>2</sup> An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services **is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2024 and July 31, 2025, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2024, and July 31, 2025, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

## What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2024 and July 10, 2024, you can request this special enrollment in the employment-based health plan through September 8, 2024. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

## How Can I Get More Information?

For more information about your coverage offered through your employment, please check your health plan's summary plan description or contact Erika Nilles-Plumlee, Human Resources (636) 477-3280.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. <sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## Model General Notice of COBRA Continuation Coverage Rights

### \*\* Continuation Coverage Rights Under COBRA \*\*

#### Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact Eldercare Management Services, Inc .

**You may have other options available to you when you lose group health coverage.** For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

#### What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

### **When is COBRA continuation coverage available?**

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after Eldercare Management Services, Inc has been notified that a qualifying event has occurred. The employer must notify Eldercare Management Services, Inc of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

**For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify Eldercare Management Services, Inc within 60 days after the qualifying event occurs. You must provide this notice to: Erika Nilles-Plumlee, Human Resources (636) 477-3280.**

### **How is COBRA continuation coverage provided?**

Once Eldercare Management Services, Inc receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage. There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

#### ***Disability extension of 18-month period of COBRA continuation coverage***

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify Eldercare Management Services, Inc in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

#### ***Second qualifying event extension of 18-month period of continuation coverage***

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the

second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

### **Are there other coverage options besides COBRA Continuation Coverage?**

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

### **Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?**

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period<sup>3</sup> to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

## **Uniformed Services Employment and Reemployment Rights Act (USERRA) Notice**

<sup>3</sup> <https://www.medicare.gov/basics/get-started-with-medicare/sign-up/when-does-medicare-coverage-start>.

Upon notification that the employee is being called to active duty, the USERRA Election Notice should be distributed to the employee along with the COBRA election notice, if applicable.

## **USERRA Notice**

### **Eldercare Management Services, Inc**

#### **Background**

The Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) established requirements that employers must meet for certain employees who are involved in the uniformed services (defined below).

#### **You Have Rights Under Both COBRA and USERRA**

Your rights under COBRA and USERRA are similar but not identical. Any election that you make pursuant to COBRA will also be an election under USERRA, and COBRA and USERRA will both apply with respect to the continuation coverage elected. If COBRA and USERRA give you different rights or protections, the law that provides the greater benefit will apply. The administrative policies and procedures described in the attached COBRA Election Notice (for example, the procedures for how to elect COBRA coverage and for paying premiums for COBRA coverage) also apply to USERRA coverage, unless compliance with the procedures is precluded by military necessity or is otherwise impossible or unreasonable under the circumstances.

#### **Definitions**

*“Uniformed services”* means the Armed Forces, the Army National Guard, and the Air National Guard when an individual is engaged in active duty for training, inactive duty training, or full-time National Guard duty (i.e., pursuant to orders issued under federal law), the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

*“Service in the uniformed services”* or *“service”* means the performance of duty on a voluntary or involuntary basis in the uniformed services under competent authority, including active duty, active and inactive duty for training, National Guard duty under federal statute, a period for which a person is absent from employment for an examination to determine his or her fitness to perform any of these duties, and a period for which a person is absent from employment to perform certain funeral honors duty. It also includes certain service by intermittent disaster response appointees of the National Disaster Medical System (NDMS).

All of the undefined words used in this USERRA notice have the meanings assigned to them in the attached COBRA Election Notice.

#### **Duration of USERRA Coverage**

*General Rule: 24-Month Maximum.* When a covered employee takes a leave for service in the uniformed services, USERRA coverage for the employee (and covered dependents for whom coverage is elected) can continue until up to 24 months from the date on which the employee’s leave for uniformed service began. However, USERRA coverage will end earlier if one of the following events takes place:

- A premium payment is not made within the required time;
- You fail to return to work or to apply for reemployment within the time required under USERRA (see below) following the completion of your service in the uniformed services; or
- You lose your rights under USERRA as a result of a dishonorable discharge or other conduct specified in USERRA.

*USERRA and Health FSA’s.* USERRA’s continuation coverage requirements for health plans apply to health FSAs. USERRA has no special rules for health FSAs. For example, the limited COBRA obligation for certain health FSAs (as described in the attached COBRA Election Notice) does not apply under USERRA – under USERRA, the right to continuation coverage generally lasts for up to 24 months (unless one of the events described above takes place).

*Reporting to Work/Applying for Reemployment.* Your right to continue coverage under USERRA will end if you do not notify us of your intent to return to work within the time required under USERRA following the completion of your service in the uniformed services by either reporting to work (if your uniformed service was for less than 31 days) or applying for reemployment (if your uniformed service was for more than 30 days). The time for returning to work depends on the period of uniformed service, as follows.

<b><i>Period of Uniformed Service</i></b>	<b><i>Report-to-Work/Apply for Reemployment Requirement</i></b>
Less than 31 days	The beginning of the first regularly scheduled work period on the day following the completion of your service, after allowing for safe travel home and an eight-hour rest period, or if that is unreasonable or impossible through no fault of your own, as soon as is possible.
More than 30 days but less than 181 days	Submit an application for reemployment within 14 days after completion of your service or, if that is unreasonable or impossible through no fault of your own, the first full day on which it is possible to do so.
More than 180 days	Submit an application for reemployment within 90 days after completion of your service.
Any period if for purposes of an examination for fitness to perform uniformed service	Report by the beginning of the first regularly scheduled work period on the day following the completion of your service, after allowing for safe travel home and an eight-hour rest period, or if that is unreasonable or impossible through no fault of your own, as soon as is possible.
Any period if you were hospitalized for or are convalescing from an injury or illness incurred or aggravated as a result of your service	Report or submit an application for reemployment as above (depending on length of service period) except that time periods begin when you have recovered from your injuries or illness rather than upon completion of your service. Maximum period for recovering is limited to two years from completion of service but may be extended if circumstances beyond your control make it impossible or unreasonable for you to report to work within the above time periods.

***COBRA and USERRA Coverage Are Concurrent.*** COBRA coverage and USERRA coverage begin at the same time. However, COBRA coverage can continue for up to 18 months (it may continue for a longer period and is subject to early termination, as described in the attached COBRA Election Notice). In contrast, USERRA coverage can continue for up to 24 months, as described above.

### **Premium Payments for USERRA Continuation Coverage**

If you elect to continue your health coverage pursuant to USERRA, you will be required to pay 102% of the full premium for the coverage elected (the same rate as COBRA), at the times using the procedures specified in the attached COBRA Election Notice. However, if your uniformed service period is less than 31 days, you are not required to pay more than the amount you pay as an active employee for that coverage.

### **Questions?**

If you have any questions regarding the information in this notice or your rights to coverage, or if you would like a copy of your Summary Plan Description (which contains important information about Plan benefits, eligibility, exclusions, and limitations), you should contact Erika Nilles-Plumlee, Human Resources (636) 477-3280.

## NOTICE OF PRIVACY PRACTICES

**THIS NOTICE OF PRIVACY PRACTICES DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

This Notice of Privacy Practices (the “Notice”) describes the legal obligations of the Eldercare Management Services, Inc group health plan (the “Plan”) and your legal rights regarding your protected health information held by the Plan under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). Among other things, this Notice describes how your protected health information may be used or disclosed to carry out treatment, payment, or health care operations, or for any other purposes that are permitted or required by law.

We are required to provide this Notice of Privacy Practices to you pursuant to HIPAA.

The HIPAA Privacy Rule protects only certain medical information known as “protected health information” or “PHI”. Generally, protected health information is individually identifiable health information, including demographic information, collected from you or created or received by a health care provider, a health care clearinghouse, a health plan, or your employer on behalf of a group health plan that relates to:

- (1) your past, present or future physical or mental health or condition;
- (2) the provision of health care to you; or
- (3) the past, present or future payment for the provision of health care to you.

If you have any questions about this Notice or about our privacy practices, please contact the designated Privacy Official:

Erika Nilles-Plumlee, Human Resources

**Privacy Official**

### **Effective Date**

This Notice is effective January 1, 2026

### **Our Responsibilities**

We are required by law to:

- maintain the privacy of your protected health information;

- provide you with certain rights with respect to your protected health information;
- provide you with a copy of this Notice of our legal duties and privacy practices with respect to your protected health information; and
- follow the terms of the Notice that is currently in effect.

We reserve the right to change the terms of this Notice and to make new provisions regarding your protected health information that we maintain, as allowed or required by law. If we make any material change to this Notice, we will provide you with a copy of our revised Notice of Privacy Practices via any reasonable method or by mailing a revised notice to your last-known address on file.

### **How We May Use and Disclose Your Protected Health Information**

Under the law, we may use or disclose your protected health information under certain circumstances without your permission. The following categories describe the different ways that we may use and disclose your protected health information. For each category of uses or disclosures we will explain what we mean and present some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories.

**For Payment.** We may use or disclose your protected health information to determine your eligibility for Plan benefits, to facilitate payment for the treatment and services you receive from health care providers, to determine benefit responsibility under the Plan, or to coordinate Plan coverage. For example, we may tell your health care provider about your medical history to determine whether a particular treatment is experimental, investigational, or medically necessary, or to determine whether the Plan will cover the treatment. We may also share your protected health information with a utilization review or precertification service provider. Likewise, we may share your protected health information with another entity to assist with the adjudication or subrogation of health claims or to another health plan to coordinate benefit payments.

**For Health Care Operations.** We may use and disclose your protected health information for other Plan operations. These uses and disclosures are necessary to run the Plan. For example, we may use medical information in connection with conducting quality assessment and improvement activities; underwriting, premium rating, and other activities relating to Plan coverage; submitting claims for stop-loss (or excess-loss) coverage; conducting or arranging for medical review, legal services, audit services, and fraud & abuse detection programs; business planning and development such as cost management; and business management and general Plan administrative activities.

**To Business Associates.** We may contract with individuals or entities known as Business Associates to perform various functions on our behalf or to provide certain types of services. In order to perform these functions or to provide these services, Business Associates will receive, create, maintain, use and/or disclose your protected health information, but only after they agree in writing with us to implement appropriate safeguards regarding your protected health information. For example, we may disclose your protected health information to a Business Associate to administer claims or to provide support services, such as utilization management, pharmacy benefit management, claims management, nurse navigation, or subrogation, but only after the Business Associate enters into a Business Associate contract with us.

**As Required by Law.** We will disclose your protected health information when required to do so by federal, state or local law. For example, we may disclose your protected health information when required by national security laws or public health disclosure laws.

**To Avert a Serious Threat to Health or Safety.** We may use and disclose your protected health information when necessary to prevent a serious threat to your health and safety, or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat. For example, we may disclose your protected health information in a proceeding regarding the licensure of a physician.

**To Plan Sponsors.** For the purpose of administering the plan, we may disclose to certain employees of the Employer protected health information. However, those employees will only use or disclose that information as necessary to perform plan administration functions or as otherwise required by HIPAA, unless you have authorized further disclosures. Your protected health information cannot be used for employment purposes without your specific authorization.

### Special Situations

In addition to the above, the following categories describe other possible ways that we may use and disclose your protected health information. For each category of uses or disclosures, we will explain what we mean and present some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories.

**Military and Veterans.** If you are a member of the armed forces, we may release your protected health information as required by military command authorities. We may also release protected health information about foreign military personnel to the appropriate foreign military authority.

**Workers' Compensation.** We may release your protected health information for workers' compensation or similar programs. These programs provide benefits for work-related injuries or illness.

**Public Health Risks.** We may disclose your protected health information for public health actions. These actions generally include the following:

- to prevent or control disease, injury, or disability;
- to report births and deaths;
- to report child abuse or neglect;
- to report reactions to medications or problems with products;
- to notify people of recalls of products they may be using;
- to notify a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition;
- to notify the appropriate government authority if we believe that a patient has been the victim of abuse, neglect, or domestic violence. We will only make this disclosure if you agree, or when required or authorized by law.

**Health Oversight Activities.** We may disclose your protected health information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

**Lawsuits and Disputes.** If you are involved in a lawsuit or a dispute, we may disclose your protected health information in response to a court or administrative order. We may also disclose your protected health information in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

**Law Enforcement.** We may disclose your protected health information if asked to do so by a law enforcement official—

- in response to a court order, subpoena, warrant, summons or similar process;
- to identify or locate a suspect, fugitive, material witness, or missing person;
- about the victim of a crime if, under certain limited circumstances, we are unable to obtain the victim's agreement;
- about a death that we believe may be the result of criminal conduct; and
- about criminal conduct.

**Coroners, Medical Examiners and Funeral Directors.** We may release protected health information to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or determine the cause of death. We may also release medical information about patients to funeral directors, as necessary to carry out their duties.

**National Security and Intelligence Activities.** We may release your protected health information to authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law.

**Inmates.** If you are an inmate of a correctional institution or are in the custody of a law enforcement official, we may disclose your protected health information to the correctional institution or law enforcement official if necessary (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.

**Research.** We may disclose your protected health information to researchers when:

- (1) the individual identifiers have been removed; or
- (2) when an institutional review board or privacy board has reviewed the research proposal and established protocols to ensure the privacy of the requested information, and approves the research.

### **Required Disclosures**

The following is a description of disclosures of your protected health information we are required to make.

**Government Audits.** We are required to disclose your protected health information to the Secretary of the United States Department of Health and Human Services when the Secretary is investigating or determining our compliance with the HIPAA privacy rule.

**Disclosures to You.** When you request, we are required to disclose to you the portion of your protected health information that contains medical records, billing records, and any other records used to make decisions regarding your health care benefits. We are also required, when requested, to provide you with

an accounting of most disclosures of your protected health information if the disclosure was for reasons other than for payment, treatment, or health care operations, and if the protected health information was not disclosed pursuant to your individual authorization.

### Other Disclosures

**Personal Representatives.** We will disclose your protected health information to individuals authorized by you, or to an individual designated as your personal representative, attorney-in-fact, etc., so long as you provide us with a written notice/authorization and any supporting documents (i.e., power of attorney). Note: Under the HIPAA privacy rule, we do not have to disclose information to a personal representative if we have a reasonable belief that:

- (1) you have been, or may be, subjected to domestic violence, abuse or neglect by such person; or
- (2) treating such person as your personal representative could endanger you; and
- (3) in the exercise of professional judgment, it is not in your best interest to treat the person as your personal representative.

**Spouses and Other Family Members.** With only limited exceptions, we will send all mail to the employee. This includes mail relating to the employee's spouse and other family members who are covered under the Plan, and includes mail with information on the use of Plan benefits by the employee's spouse and other family members and information on the denial of any Plan benefits to the employee's spouse and other family members. If a person covered under the Plan has requested Restrictions or Confidential Communications (see below under "Your Rights"), and if we have agreed to the request, we will send mail as provided by the request for Restrictions or Confidential Communications.

**Authorizations.** Other uses or disclosures of your protected health information not described above will only be made with your written authorization. Examples include, but are not limited to, psychotherapy notes, uses and disclosures for marketing purposes and any sale of PHI. You may revoke written authorization at any time, so long as the revocation is in writing. Once we receive your written revocation, it will only be effective for future uses and disclosures. It will not be effective for any information that may have been used or disclosed in reliance upon the written authorization and prior to receiving your written revocation.

**Underwriting.** If the group health plan uses PHI for underwriting purposes, the plan will not use or disclose genetic information for underwriting purposes.

### Your Rights

You have the following rights with respect to your protected health information:

**Right to Inspect and Copy.** You have the right to inspect and copy certain protected health information that may be used to make decisions about your health care benefits. To inspect and copy your protected health information, you must submit your request in writing to the Privacy Official. If you request a copy of the information, we may charge a reasonable fee for the costs of copying, mailing, or other supplies associated with your request.

We may deny your request to inspect and copy in certain very limited circumstances. If you are denied access to your medical information, you may request that the denial be reviewed by submitting a written request.

**Right to Amend.** If you feel that the protected health information we have about you is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is kept by or for the Plan.

To request an amendment, your request must be made in writing and submitted to the Privacy Official. In addition, you must provide a reason that supports your request.

We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that:

- is not part of the medical information kept by or for the Plan;
- was not created by us, unless the person or entity that created the information is no longer available to make the amendment;
- is not part of the information that you would be permitted to inspect and copy; or
- is already accurate and complete.

If we deny your request, you have the right to file a statement of disagreement with us and any future disclosures of the disputed information will include your statement.

**Right to an Accounting of Disclosures.** You have the right to request an “accounting” of certain disclosures of your protected health information. The accounting will not include (1) disclosures for purposes of treatment, payment, or health care operations; (2) disclosures made to you; (3) disclosures made pursuant to your authorization; (4) disclosures made to friends or family in your presence or because of an emergency; (5) disclosures to business associates; (6) disclosures for national security purposes; and (7) disclosures incidental to otherwise permissible disclosures.

To request this list or accounting of disclosures, you must submit your request in writing to the Privacy Official. Your request must state a time period of not longer than the past six years. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be provided free of charge. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

**Right to Request Restrictions.** You have the right to request a restriction or limitation on your protected health information that we use or disclose for treatment, payment, or health care operations. You also have the right to request a limit on your protected health information that we disclose to someone who is involved in your care or the payment for your care, such as a family member or friend. For example, you could ask that we not use or disclose information about a surgery that you had.

Except as provided in the next paragraph, we are not required to agree to your request. However, if we do agree to the request, we will honor the restriction until you revoke it or we notify you.

Effective February 17, 2010 (or such other date specified as the effective date under applicable law), we will comply with any restriction request if (1) except as otherwise required by law, the disclosure is to the

health plan for purposes of carrying out payment or health care operations (and is not for purposes of carrying out treatment); and (2) the protected health information pertains solely to a health care item or service for which the health care provider involved has been paid out-of-pocket in full.

To request restrictions, you must make your request in writing to the Privacy Official. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure, or both; and (3) to whom you want the limits to apply—for example, disclosures to your spouse.

**Right to Request Confidential Communications.** You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that we only contact you at work or by mail.

To request confidential communications, you must make your request in writing to the Privacy Official. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. We will accommodate all reasonable requests if you clearly provide information that the disclosure of all or part of your protected information could endanger you.

**Right to Be Notified of a Breach.** You have the right to be notified in the event that we (or a Business Associate) discover a breach of unsecured protected health information.

**Right to a Paper Copy of This Notice.** You have the right to a paper copy of this notice. You may ask us to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice.

To obtain a paper copy of this notice contact the Privacy Official.

### **Complaints**

If you believe that your privacy rights have been violated, you may file a complaint with the Plan or with the Office for Civil Rights of the United States Department of Health and Human Services. To file a complaint with the Plan, contact the Privacy Official. All complaints must be submitted in writing.

You will not be penalized, or in any other way retaliated against, for filing a complaint with the Office for Civil Rights or with us.

## **HIPAA Notice of Privacy Practices**

The Notice of Privacy Practices describes individual rights under HIPAA Privacy regulations. The Eldercare Management Services, Inc Group Health Plan (the “Plan”) provides health benefits to eligible employees and their eligible dependents as described in the summary plan description(s) for the Plan. The Plan creates, receives, uses, maintains and discloses health information about Plan participants in the course of providing these health benefits. The Plan is required by law to provide notice to participants of the Plan’s duties and privacy practices with respect to covered individuals’ protected health information, and has done so by providing to Plan participants a notice of privacy practices, which describes the ways that the Plan uses and discloses PHI. To receive a copy of the Plan’s notice of privacy practices you should contact the Privacy Official, who has been designated as the Plan’s contact person for all issues regarding the Plan’s privacy practices and covered individuals’ privacy rights.

## **Notice of HIPAA Special Enrollment Rights**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Erika Nilles-Plumlee, Human Resources (636) 477-3280.

## Children’s Health insurance Program Reauthorization Act (CHIPRA) Notice Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –**

## NON-CREDITABLE COVERAGE LETTER

### Important Notice from ELDERCARE MANAGEMENT SERVICES, INC About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with ELDERCARE MANAGEMENT SERVICES, INC HEALTH AND WELFARE PLAN and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are three important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. ELDERCARE MANAGEMENT SERVICES, INC has determined that the prescription drug coverage offered by the ELDERCARE MANAGEMENT SERVICES, INC HEALTH AND WELFARE PLAN is, on average for all plan participants, NOT expected to pay out as much as standard Medicare prescription drug coverage pays. Therefore, your coverage is considered Non-Creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from the ELDERCARE MANAGEMENT SERVICES, INC HEALTH AND WELFARE PLAN. This also is important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.
3. You can keep your current coverage from ELDERCARE MANAGEMENT SERVICES, INC HEALTH AND WELFARE PLAN. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully - it explains your options.

#### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

---

However, if you decide to drop your current coverage with ELDERCARE MANAGEMENT SERVICES, INC, since it is employer/union sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however you also may pay a higher premium (a penalty) because you did not have creditable coverage under Anthem and American Worker.

#### When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

Since the coverage under **ELDERCARE MANAGEMENT SERVICES, INC HEALTH AND WELFARE PLAN'S**, is not creditable, depending on how long you go without creditable prescription drug coverage you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn't join, if you go 63 continuous days or longer without prescription drug coverage that's creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current **ELDERCARE MANAGEMENT SERVICES, INC HEALTH AND WELFARE PLAN** coverage will be affected.

If you do decide to join a Medicare drug plan and drop your current **ELDERCARE MANAGEMENT SERVICES, INC HEALTH AND WELFARE PLAN** coverage, be aware that you and your dependents may not be able to get this coverage back.
